DPLA Member Meetup

When: Thursday November 17, 1:00 PM ET  
Where: Zoom

Join us for a discussion on the development of new curation tools for DPLA member hubs. As we know, curated resources receive the most views and usage on the vast DPLA platform and the need for the reinvigoration of a curation program has been in high demand. During this meeting we will discuss the charge and recruitment timeline for a new digital curation task force. We will also speak with attendees about their needs and expectations for an exhibition tool developed by DPLA. Read more and register >
